

Leadership Workshop

Leveraging Diversity for Enhanced Productivity in Sino-German Cooperation

Thursday, 6 June, 2024
4:00 – 6:00 p.m.
German Centre Shanghai
Language: English
Price: Free

Agenda

- Presentation
- Q&A Session
- Self Assessment
- Networking

Experts from the field deliver theoretically grounded, practically approved hands-on strategies to implement diversity as a driver for productivity and positive work results in Sino-German cooperation.

1. Optimize Cross-Cultural Operations

Learn to navigate the complexities of Sino-German business environments effectively, analyze your own management style and turn diversity into a strategic asset.

2. Streamline Communication and Decision-Making

Acquire skills to overcome cultural barriers and enhance leadership capabilities for better organizational outcomes.

3. Apply Actionable Strategies

Implement practical insights from experienced professionals to improve collaboration and drive sustainable business growth.
